

Saskatoon

"Paris of the Prairies"

Saskatoon:
It known as the "Paris of the Prairies" for its eight bridges that span the South Saskatchewan River, this small city is vibrant with natural, cultural, and culinary delights.
The South Saskatchewan River:
It is one of the largest, and arguably most

important rivers in Saskatchewan.
It is the single largest supplier of water in Saskatchewan for drinking water, irrigation, industrial uses, and recreation, with almost 50% of the provincial population in Saskatchewan relying on the South Saskatchewan River for their daily needs.
